Bowling

Many of our branches have local bowling activities, and players of all abilities are welcome.

In addition to the weekly bowling leagues, SIR bowlers can participate in area, regional, and state tournaments. We schedule two dozen tournaments in cities all over northern and central California as well as Northern Nevada. Participants from all branches are welcome to participate.

Note as of 11-10-2021:

The proposed 2022 tournament schedule has been approved by SIR INC and is available for your planning and comments.

Note, the "SIR Bowling Vaccination and Waiver" form is now available in the Tournament Managers section of the navigation pane on the left side of this page.

Bowlers must have completed this form one time to participate in SIR Bowling tournaments.

An active bowling program exists for many SIR branches. SIR bowlers enjoy weekly bowling leagues, regional tournaments and state tournaments. Join a SIR bowling league and enjoy the camaraderie of your fellow Sirs while getting some indoor exercise.

To locate a league in your area contact your branch or area bowling chairman. If you can't locate either contact a State Bowling Committee member.

There are various branches sponsoring several tournaments a year in California and Nevada.

No experience necessary. Many members only start bowling after becoming a member of SIR. It is never too late.
