

***SUMMARY OF RULE CHANGE ADOPTED BY
THE STATE BOARD MEETING OF 1-23-2007***

Rule 12 regarding State Events was amended to specify that the rule is not applicable to events scheduled for limited segments of the membership such as bowling and golf tournaments, **or State sporting events such as SIR Day at the SF Giants or other teams, or to State RV Rallies.** This means that Branches are no longer required to include this information in their Branch Bulletins issued during the period in which deposits for the event are being accepted pursuant to Rule 273. Branches are not prohibited from publicizing these State Sporting Events and State RV Rallies, but they are no longer required to do so.
