

***SUMMARY OF RULES CHANGES ADOPTED BY  
THE STATE BOARD 2/21/07***

Rule 24 was amended to clarify that an active member of SIR can only receive one Honorary Life Membership. It can be obtained through the Branch or as a State-initiated action. It also clarifies that a Past President who is on the roles of his Branch as an HLM, will no longer be counted as a Branch-sponsored HLM. Also, any State-initiated HLM award to an active member of SIR will not be counted against his Branch.

These amendments merely sanction what has been the past practice of the State Board.
