2. "It is moved that the June Financial Reports are approved." See, Exhibit B.

Announcements:

1. Dave announced that the Annual Meeting will be held on August 31, 2023, at 1 pm via Zoom. He noted that the Area Representatives will be asked to follow up with each of the Big Sirs and Little Sirs in their area to ensure attendance.
2. Dave reminded everyone of the importance of Founders Day, July 23, 2023. It was the 65th Anniversary of the creation of SIR.

New Business:

1. New Report Program for Form 27 Data. Dale, Derek and Andy presented the Proposed Report that is intended to replace current Form 27. The new report is yet to be named but it was suggested that it may be called the "Membership Status Report."

Derek presented a current draft of the report which will include (i) Branch number, (ii) area number, (iii) membership at the start of the quarter, (iv) the number of new members, (v) the number of members that left, and (vi) how many new potential new members attended an event. This is the information required by State SIR.

Derek demonstrated how the data, once input, will be uploaded into a searchable Google Sheet, which could be accessed by Area Representatives and other leaders.

There followed a substantial discussion about (i) the proposed draft, (ii) what additional, if any, should be included and (iii) how the system will work.

Derek explained that Form 27 will not be eliminated because Branches may wish to continue to use the form for their own management purposes.

Andy led a discussion on the objectives of the new report to minimize the workload for branches. He further suggested consideration of graphing the data over an extended period to better identify trends.

EXHIBIT A

Dale will be setting up a meeting with the Area Representatives and other relevant people, to discuss the proposed report and what, if any, additional information should be included to assist the ARs.

While no vote was taken relative to the new report, those present supported its finalization. Derek suggested an announcement be made at the Annual Meeting.

2. New Report Program for Form 28.

During the discussion on the replacement of replace Form 27, Roy suggested the possibility of replacing Form 28 through a similar approach. Significant discussion followed about the benefit to the branches as well as the feasibility of such a new report.

Dave will appoint members to a select committee to consider the feasibility of a new such report. Roy will be appointed to lead that committee, which will prepare a report for a future meeting of the Board of Directors.

3. Revision and Updating of the State SIR Website.

Andy discussed the new revisions that have been made to the State SIR Website. He explained that one of the reasons for the changes was to create a Public Website that would be more inviting and provide more information about SIR to members of the public who may reach the website. For the information pertinent to members, they can find it by clicking on a member's page tab on the new home page.

Andy also discussed a location intended to include all of the marketing materials for SIR.

A copy of the PowerPoint used by Andy during his discussion is attached as Exhibit C.

4. Golden Gate Fields Activity.

Stu announced that Lee Moy is putting together a day at Golden Gate Fields. To secure the program, a \$1,000 deposit is required by Golden Gate Fields, which corresponds to 50 attendees. Included within the program will be parking, a special seating section, and a buffet. It was discussed that members and their spouses should attend.

Stu requested the Board to authorize a payment of the \$1,000 deposit from SIR funds with the understanding that it would be repaid from the ticket sales to the event.

Dale moved, seconded by Andy, as follows:

EXHIBIT A

Motion: “It is moved that \$1,000 be advanced by State SIR to pay the deposit for the Golden Gate Fields activity.” Motion passed.

5. Dave continued the following to the next Board Meeting, requesting that reports be prepared and distributed before then:

From New Business: The State HLM Award Process – Derek and Stu

From New Business: The Recipe Card Status Report

From Old Business: The Organizational Chart Update – Andy

Old Business:

1. Annual Meeting Agenda and Needed Support.

Dave and Dale will meet next week to finalize the agenda for the Annual Meeting. Next year’s officers and directors will be elected. The slate of proposed changes to the By-Laws and Policies and Procedures will be voted on. Dale has a tentative list of speakers and presentations.

The Agenda will need to be distributed by August 1, 2023, 30 days before the Annual Meeting.

Dave summarized several milestones which have been reached this year:

- The development of the Member Status Report
- The update of the State SIR website
- The conclusion of the question of whether SIR will allow women to become members.

A brief review of the goals from the beginning of the year was discussed with the belief that they have been accomplished. Roy expressed it as follows: We have tried to accomplish the goals and it is up to the Branches to determine if we have succeeded.

Roy inquired whether Dale needs some assistance with the zoom presentation or any other aspect. After discussion, Dale asked Andy, who has previous experience, to manage the presentation.

Derek raised the desire to have certain changes made to the number of HLM awards and DSA awards that can be issued. It was suggested that the increase in the number of HLM and DSA awards that was approved in this meeting be mentioned at the Annual Meeting. He presented a chart designed to provide clarity on the number of HLM awards available to a branch based on the number of branch members, which increases the number of awards. His second chart related to DSAs. It also provides clarity as to the number of awards that a branch can award based on membership size. It also increases the number of awards that will be available.

EXHIBIT A

After significant discussion of the need to increase the awards and how it could be done, Lee Lamp made the following motion, which was seconded by Dale:

Motion: “It is hereby moved that the two new tables regarding the award of the State HLM Award (Exhibit D) and the DSA award (Exhibit E) are approved and adopted, and that the language of Policy 10 be updated and revised by the charts as well as any other necessary language in the SIR Policy and Procedures required to implement the same.”

The motion passed.

It was suggested that the Agenda for the Annual Report be discussed with the Ars at their August meeting. The ARs want to have a in-person meeting in Manteca. It may need to be hybrid for ARs who don't want to travel that distance.

Addendum A.
Proposed Policy & Procedure
Changes
Comments in Italics
New Wording in Red

August 24, 2023

Proposal 1: *Revise Policy 10 - SIR Awards/Certificates*

Reference: *Derek Southern proposal to increase number of HLM and DSA awards that are more reflective of current Branch sizes.*

Background: *With the significant reduction in Branch membership over the last several years 85% of the Branches have less than 150 members. This has resulted in penalizing the smaller Branches in recognizing and rewarding their most deserving volunteers.*

Revised Policy 10:

1. POLICIES GENERAL-Continued
Policy 10. SIR AWARDS/CERTIFICATES

SIR, Incorporated provides three levels of meaningful, tangible and visible awards to recognize the many contributions of its members. They are the Honorary Life Member (HLM), the Distinguished Service Award (DSA) and the I'm Doing My Part awards.

In addition, there are two types of award certificates available. They are the Presidential Award Certificate for members that reach the age of 90, 95 and 100, and a Certificate of Appreciation for recognizing guest speakers, State and Branch members.

The Honorary Life Member Gold Lapel Pin

1. Honorary Life Member (HLM) - This award is the highest and most prestigious award available within SIR. It is bestowed only to those who, upon careful review and scrutiny by the State Honorees Committee, are found to have:

- been a member for a period of 5 years or more.
- clearly earned it through exceptional and extraordinary service.
- steps forward whenever the need arises
- would be recognized by his peers to have earned it

The HLM is not to be treated lightly or awarded merely on the basis of good fellowship.

An HLM shall remain a member of his Branch until death, transfer, resignation or permanent relocation, but shall not be subject to attendance requirements.

EXHIBIT B

An HLM shall be permitted to transfer from one Branch to another. The transferring HLM shall no longer be counted by either Branch in determining the number of HLMs authorized.

All past active HLM recipients shall be identified and scheduled to receive the "HLM Gold Lapel Pin" to fully recognize their achievement.

In the case of an HLM recipient that is no longer a member of SIR he will not be eligible for the HLM Gold Lapel Pin. However, the Big Sir may request one from the **Vice President** for a deceased member so it may be presented to his widow/partner or family member if appropriate.

There is a State HLM and a Branch HLM. Each is entitled to a framed certificate, an "HLM Gold Lapel Pin", and HLM badge: The State Certificates Chairman will prepare the HLM certificate and mail it to the person designated to receive it along with the HLM Gold Lapel Pin and an order form for the HLM badge.

a. State HLM- the State Honorees Committee shall review **nomination letters** and recommend candidates to the State Board. A State Board member also may recommend a candidate to the Committee using a formal letter of nomination. See Policy 10 **HLM** Procedures for details.

A State HLM shall be awarded to each State President at the completion of his term.

b. Branch HLM- This HLM award is initiated by a member of the Branch's BEC, a Branch Honorees Committee or a current HLM member as appropriate using Form 45 accompanied with a formal letter of nomination. See Policy 10 **HLM** Procedures for specific details.

There are two subcategories of members currently holding a Branch HLM:

c. HLM Emeritus- In situations where the BEC has determined that the HLM can no longer attend or participate in branch functions, the BEC may approve by two-thirds affirmative vote assigning that member HLM Emeritus status.

The Branch shall notify the State Certificates Chairman and the State Database Chairman to update the State records for that Branch.

An HLM Emeritus shall no longer count toward the **number of Branch HLMs allowed**. However, his status shall be part of that Branch's and the Corporate HLM membership records.

(2) Senior HLM- When a Branch HLM has been an HLM for 10 years he shall automatically be elevated to Senior HLM in the Corporate HLM records and the State Roster, and he will no longer count toward the **number of Branch HLMs allowed** Also, an HLM Emeritus who has been an HLM for 10 years automatically becomes a Senior HLM.

EXHIBIT B

Procedure for HLM Awards

State HLM Procedure

Approval Process- A State HLM shall be awarded to each State President at the completion of his term.

For other State HLM awards, the State Honorees Committee shall review formal letters of nomination submitted by State Board members or others at the State level. These letters of nomination shall note the specific contributions relative to the requirements stated in Policy 10 and why this award is merited.

The facts related in the **nomination** letter describing the member's contribution should only concern SIR State achievements.

Non-SIR activities and achievements are immaterial and will not be considered in determining the worthiness of an application.

Note: The formal letter of nomination is very important as it provides the presenting officer a clear summary of the nominee's contributions that will be used in the presentation of the award.

The State Board shall **approve the awarding** of a State HLM with a two-thirds affirmative vote.

Upon **approval** by the SIR State **President the State HLM** Certificates Chairman shall prepare the appropriate HLM certificate and formal letter of announcement.

When completed these will be mailed along with an HLM Gold Lapel Pin **and Form 23A, HLM Badge Order Form**, to the person designated to present the award. After the date of the presentation the **HLM** Certificates Chairman will notify the State Database Chairman to update the Branch and State HLM records.

Award Presentation- The conferring of all State HLMs is reserved to the State Board.

Branch HLM Procedure

When the HLM listings page opens press and hold the Control Key and the 'F' key to bring up a search box. Type in Branch No. xx where xx is your Branch number in the search box and press the enter key. Be sure to put in the 'period' after 'No'.

All the HLMs in your Branch will be listed.

Use the HLM Award availability by Branch Size table and the HLM Authority Coding below to determine how many HLMs in your Branch are coded with 'BR preceding your Branch Number.

EXHIBIT B

These are the only HLMs that count toward the number of HLMs you are allowed for your Branch Size.

HLM Award Availability by Branch Size Table

Branch Membership	# of HLMs Allowed	
0-49	1	
50-99	2	
100-149	3	
150-199	4	15% of All
200-249	5	Branches
250-299	6	
300-349	7	
350+	8	

HLM Authority Coding-

The Authority codes noted below will appear in the SIR State HLM Roster preceding the name of each HLM recipient. Following is the definition of those codes.

1. Branch 0 (zero) indicates that the HLM's present affiliation is not known, and the HLM does not count toward any branch's limit.

2. **"Authority" code "BR" preceding a branch number indicates a Branch award and is the only HLM that counts toward that branch's limit.**

3. The following "Authority" codes that precede a Branch number indicates that the HLM does not count against the number of Branch HLMs allowed.

"SB" indicates a SIR State Board of Directors HLM award.

"PP" indicates a Past President HLM award.

"EM" indicates an Branch HLM Emeritus.

"SR" indicates a Branch Senior HLM. 10 years or more since Approved Date.

"UN" indicates that the awarding branch has since surrendered its charter.

"TR" indicates the HLM transferred to the listed branch. The Branch number is the branch from which he transferred.

4. Should the recipient of a State awarded HLM have been awarded a Branch HLM previously, the Authority code shall be changed from "BR" to "PP" (Past President) or "SB" (State Board). The previously awarded Branch HLM shall no longer count against the number of Branch HLMs allowed.

5. Should the recipient of a Branch awarded HLM be awarded a State awarded HLM the Authority code shall be changed from 'BR' to 'SB' and the Branch HLM shall no longer count against the number of Branch HLMs allowed.

1. Approval Process- An application is initiated by a member of the Branch's BEC, a Branch Honorees Committee or a current HLM member as appropriate using Form 45 (Application for Honorary Life Membership) accompanied with a formal letter of nomination noting the specific requirements stated in Policy 10. It requires approval by a 2/3rds vote of his Branch BEC.

The facts related in the formal letter describing the member's contribution should only concern SIR Branch achievements. Non-SIR activities and achievements are immaterial and will not be considered in determining the worthiness of an application.

EXHIBIT B

Note: The formal letter of nomination is very important as it provides the presenting officer a clear summary of the nominee's contributions that will be used in the presentation of the award.

The application, along with the formal letter describing the member's contributions and why this award is merited is sent to the State Honorees Committee for their approval and then forwarded to the President for approval. Upon approval, the President forwards the approved application to the **State HLM** Certificates Chairman for processing

2. Certificate Preparation - The **State HLM** Certificates Chairman shall prepare the appropriate HLM certificate and mail this to the Branch Big Sir along with and HLM Gold Lapel Pin and a copy of Form 23A so the Branch may order a badge. Included is a letter with instructions to contact the SIR State President to discuss the presentation **and** notify the Area **Representative if the Branch has one assigned so he** can attend if available. After being notified by the Big Sir as to the date of the presentation the Certificates Chairman will notify the State Database Chairman to update the Branch HLM record.

3. Certificate Framing/Badge Ordering- The Branch shall receive the Certificate provided by the State **HLM** Certificates Chairman, which sets forth the facts on which the honor has been bestowed. The Branch then shall frame the certificate appropriately and order an official badge using Form 23A.

4. Award Presentation- When an HLM is conferred upon a Branch member, he shall be presented with the Honorary Life Member certificate described above, an HLM Gold Lapel Pin and an HLM Badge.

The award ceremony may be at a Branch Luncheon, a Ladies Day event or another special Branch occasion. The Branch is strongly encouraged to keep the award secret from the recipient beforehand, to confidentially invite the recipient's wife or partner as a further presentation surprise, and to take a photo(s) of the event for inclusion in the Branch's monthly newsletter and SIR Happenings.

The President or a present/past State Officer designated by the President should present the HLM unless another arrangement is made with the Big Sir. In some cases it might be appropriate to have the closest friend of the recipient or even his wife or partner present the award.

EXHIBIT B

The Distinguished Service Award Silver Lapel Pin

2. Distinguished Service Award (DSA) This “Silver Lapel Pin” award is the 2nd highest award in SIR, to recognize exceptional/extraordinary service at the Branch and/or State levels. This award is to provide a level of recognition for their members that have not earned that which an HLM award requires but have been highly contributing to the success of the Branch and have:

- been a member for a period of 3 years or more.
- clearly earned it through exceptional and extraordinary service.
- steps forward whenever the need arises
- would be recognized by his peers to have earned it

The DSA is not to be treated lightly or awarded merely on the basis of good fellowship.

A DSA shall remain a member of his Branch until death, transfer, resignation or permanent relocation, but shall not be subject to attendance requirements.

A DSA shall be permitted to transfer from one Branch to another. The transferring DSA shall no longer be counted by either Branch in determining the number of DSAs authorized.

A DSA award is authorized for a past HLM recipient when justified by exceptional contributions made subsequent to the HLM award. Additionally, the recipient of a DSA award does not preclude the member from earning an HLM.

A DSA award may be recommended for Branch-related or separately for State-related contributions / service and once earned is carried forward as a one- award into new SIR positions.

Branch Allowed Exception: A new Big Sir shall be awarded the Branch DSA lapel pin at the completion of his term or 12 months, whichever comes first. In the case of a previous Big Sir in a second or greater term, regardless of the previous time period he served in, shall receive the DSA award immediately.

Note: All 2021 and 2022 Big Sirs should be presented with a DSA Lapel Pin for their Service in those years since the State Mounted Certificates of Appreciation were discontinued.

Note: All DSAs awarded to Big Sirs shall not count against the number of Branch HLMs allowed.

a. State DSA Award- This “DSA Silver Lapel Pin” award is initiated with a State DSA Application Form 45A by a member of the State Board, an Area Representative, or a

EXHIBIT B

State Committee Chairman; reviewed by the State Honorees Committee, and recommended to the State Board. Approval by the State Board requires a 2/3rds vote of the State Board members. **See Policy 10's Procedure for details.**

b. Branch DSA Award- This "DSA Silver Lapel Pin" award is initiated with a Branch DSA Application Form 45B by a BEC member **or the Branch Awards committee**, approved by the Branch BEC, and forwarded to the Area Representative* for approval and presentation under the authority granted to him by the SIR President.

*Note: If the Branch **does not have** an Area Representative the Form 45B shall be forwarded to the State Vice President for approval. Upon approval a DSA lapel pin will be sent to the Branch Big Sir for presentation.

c. DSA Emeritus- In situations where the BEC has determined that the DSA **recipient** can no longer attend or participate in branch functions, the BEC Shall, by two-thirds affirmative vote, that the DSA be assigned Emeritus status in the Branch's DSA membership records.

A DSA Emeritus shall **not count against the number of Branch DSAs allowed.** however, his status shall be part of that Branch's DSA membership records. (Rev 04/20/2023)

d. Senior DSA Award - When a Branch DSA has been a DSA for 5 years he shall automatically be elevated to Senior DSA in the Branch records and **his DSA shall not count against the number of Branch DSAs allowed.**

Procedure for State DSA Awards

State DSA Procedure

Approval Process - A DSA shall be awarded to each Area **Representative**, State Secretary, State Treasurer, Chief Information Officer and Committee Chairman by the SIR President or his designated representative for their **continuing** leadership and contributions to SIR at the State level.

The DSAs awarded are to recognize the significant and continuing leadership contributions the members in these positions carry forward each day. Annual Certificates of Appreciation for these and other related positions have been discontinued. (Rev 04/20/2023)

There is no limit to the number of DSAs that can be awarded at the State Level

The DSA award for all others at the State level may be initiated, with a State DSA Application Form 45A noting the specific contributions relative to the requirements stated in Policy 10, by a member of the State Board, an Area Representative or a committee Chairman, reviewed by the State Honorees Committee and recommended to the State Board. Approval requires a 2/3rds vote of the State Board members.

Note: The specific contributions relative to the requirements is very important as it provides the presenting officer a clear summary of the nominee's contributions that will be used in the presentation of the award.

The facts related in the application should only concern SIR State achievements. Non-SIR activities and achievements are immaterial and will not be considered in determining the worthiness of an application.

EXHIBIT B

Procedure for Branch DSA Awards

Branch DSA Procedure

Approval Process - A Branch DSA award is initiated by a member of the Branch's BEC, Branch Honorees Committee or a current HLM member as appropriate using Form 45B and presented to the Branch BEC for review noting the specific requirements stated in Policy 10. If approved by the BEC with a 2/3rds vote the nomination is sent to the Area Representative for review and approval. If the Branch does not have an Area Representative then the nomination is sent to the State Vice President for review and approval. Upon approval a DSA lapel pin will be sent to the Branch Big Sir for presentation.

Upon approval the Branch Big Sir will be notified and the presentation of the DSA will be scheduled for presentation by the Area Representative, if available, or the Big SIR for Branches that do not have an Area Representative.

Note that approval shall not result in the number of Branch DSA's awarded in a Branch greater than that shown in the DSA Award Availability by Branch Size table.

This is exclusive of the DSA awarded to the Branch Big Sirs as noted below:

DSA Award Availability by Branch Size Table

Branch Membership	# of DSAs Allowed	
0-49	2	
50-74	4

200-224		Branches
225-249

Branch Allowed Exception: A new Big Sir shall be awarded the Branch DSA lapel pin at the completion of his term or 12 months, whichever comes first. In the case of a previous Big Sir in a second or greater term, regardless of the previous time period he served in, shall receive the DSA award immediately.

The visible recognition of a lapel pin is so much more important than framed certificates at home on a member's wall which is totally invisible to other members.

The Branch shall maintain sufficient records of all DSA awards and their recipients to ensure they are within the number allowed. Upon the five year anniversary of the date of a member's DSA award the letter 'S' shall be added in the Branch records to indicate the member is a Senior DSA recipient. This action results in the DSA being excluded from the Branch number allowed and allows other deserving members to become eligible for the award.

EXHIBIT B

The I'm Doing My Part Lapel Pin

3. "I'm Doing My Part" Award- This lapel pin award is for Branches to provide special recognition for their members that have not earned the level that a DSA or HLM award requires but have been contributing to the success of the Branch. Branches shall establish their own individual criteria for candidate selection and approval but keeping in mind the need to recognize all members that volunteer as it's these members that a Branch cannot survive without.

There is no limit to the number of these awards presented within a Branch. State initially supplied 1,000 of these award pins across all the Branches and with the announcement of this new award program will supply another 500. Additional award pins may be ordered by Branches using Form 21.

4. Presidential Awards - Senior Sir, Super Senior Sir, and Century Sir Certificates are milestone-related awards for members who have reached the ages of 90, 95, and 100 respectively. A Branch may offer these awards, using instructions found under Forms (Forms 6A, 6B and 6C) to print their own certificates without having to involve State as previously required.

5. President's Appreciation Certificate - The President's Appreciation certificate has been discontinued and replaced with the Distinguished Service Award.

6. Certificate of Appreciation- A Branch Executive Committee or a State Officer may obtain a Certificate of Appreciation (Form 7) and issue it to guest speakers and other members under the signature of the Big Sir.

Procedure for I'm Doing My Part Awards

Branch I'm Doing My Part Procedures

Approval Process - A 'I'm Doing My Part' lapel pin award only requires the submittal of a simple letter to the BEC **by any member of the Branch** for consideration and a 2/3rds vote. Upon approval by the BEC the presentation of the I'm Doing My Part lapel pin will be scheduled by the Big Sir.

There is no limit to the number of these awards and additional lapel pins may be ordered by Branches using Form 21.

It is believed that the more members that receive this award will inspire others to earn one which is very easy. Just become a contributing volunteer and encourage others to do the same. It could be a big or small task but any one that helps promote the success of the Branch earns this award.

Since this award is a lapel pin, wearing it is visible to others and promotes recognition of the person wearing it. Hopefully, others that do not volunteer will understand the recognition these members are receiving through their contributions and consider joining the 'club'.

P&P Recommendation: The Policy and Procedures Chairman recommends that the revision to Policy 10 be approved.

EXHIBIT B

Proposal 2: *Revised Policy 31- Branch Executive Committee*

Reference: *Clarify that the Branch Schedule of Operations is the governing body for Branches to remain in compliance with the State of California Non Profit Corporation law and the Sons in Retirement, Inc obligations as defined in their Charters.*

Background: *Some Branches do not submit the required documents and there has not been a policy to address this non compliance.*

Revised Policy 31 in part:

Policy 31. BRANCH EXECUTIVE COMMITTEE

- b. The BEC shall follow the Schedule of Branch Operations regardless of its size.

Each Branch, being an independent non-profit corporation licensed by the State of California and Chartered by Sons in Retirement, Inc., has the responsibility imposed for the obligations therefore as set forth in the Policies & Procedures and By-Laws as adopted by the State Board.

The Branch Schedule of Operations is specific in identifying obligations in the form of documents that the Branch is required to adhere to in order to keep the Branch in compliance with the State of California and with Sir State.

If these documents are not received by SIR State when required by the Branch Schedule of Operations then their Branch Charter is potentially in a state of non-compliance.

The Director of State Documents (DSD) is responsible for compliance to ensure that the Branch remains in friendly co-operation with SIR, Inc. (State) and will implement the following process to address the specific non-compliance issue(s).

- A. He will contact the Branch Big Sir by phone and discuss the non-compliance issue and the reason why it happened and request a reasonable date for resolution.

If the reason for the non-compliance was an oversight it will be addressed immediately by a specific date and the DSD will suspense the matter for follow-up on that date.

If the reason for the non-compliance was due to a lack of understanding in the importance of the requirement the DSD will address this personally or have an appropriate person at the State level address it.

If the reason for the non-compliance was due to a lack of training the DSD will work with State to establish the necessary training to resolve the issue(s).

If the reason for the non-compliance was defiance the DSD will document this by eMail to the State Board and schedule a non threatening visit with the Branch BEC in order for them to understand the severity of the situation.

The meeting with the BEC should be as friendly as possible but they need to understand that non-compliance is not acceptable and severe consequences may be imposed upon the Branch which may be:

EXHIBIT B

Removal of the dissenting members of the BEC and replacing them on an interim basis with officers from a neighboring Branch.

Polling the Branch membership after apprising them of the situation and asking them what they would like to do via a majority vote.

Revoking the Branch Charter and closing the Branch if an acceptable resolution cannot be obtained upon approval of the State Board

- B. If the decision is made for the Branch to surrender its Charter then the DSD will work with the Branch membership to transfer those wishing to remain as members of SIR to another Branch and proceed with the closing.
- C. Whatever final action is taken by the Branch or the State Board takes it shall be published to the other branches as a courtesy in order to be transparent and so they understand there are consequences for non-compliance.
- D. In any of the above scenarios the DSD will, by eMail, keep the State Board, the Branch BEC and the Area Representative up to date as to the status of the situation and the next step(s) to be taken.

P&P Recommendation: The Policy and Procedures Chairman recommends that the revision to Policy 31 be approved.

Subject: Quotes for Printed Copies of the SIR Leaders Guide

Ref: Branch Training

I am planning upon using the SLG as the main training handout in Branch Training sessions that Jerry Morrow and I are working on to schedule.

Of the quotes received from Vista Print and Minuteman Press the latter is the one I plan on going with.

Minuteman Press quoted \$1,039.15 for 1,000 printed copies stapled.

This is roughly \$840 less than Vista Print.

The quantity needed is:

84 Branches times 4 copies per Branch = 336

15 Area Representatives = 15
=====

351

I have asked Tony de Losada to get me a quote for 500 printed copies.

If this is significantly less than I will order 500 instead of 1,000.
