**RULE 155- CANDIDATES FOR AREA GOVERNOR- TO REVISE RULE**

*[Referred by State Growth & Membership Committee Chairman Walter Schick]*

*[Rule 155 limits candidates for Area Governor to Big Sir, Little Sir, Secretary, or Treasurer. However, there are men holding other Branch Officer positions (Director, Assistant Secretary, and Assistant Treasurer) who are qualified candidates based on their SIR knowledge and experience. By expanding the pool of qualified candidates, those Areas having difficulty filling the position will find this proposal advantageous to their candidate search effort. The proposed change to allow the Regional Director to waive these qualifications is considered a reasonable authority level for such decisions.]*

*[Rules Committee Recommendation: Approve.]*

RULE 155. The Executive Committee of each Branch in the Area shall nominate by July 31 of each year the member it proposes for Governor of its Area. A candidate for Area Governor must be willing to serve and must be **or have been a member of the Branch Executive Committee (BEC) a past or present Big Sir, or must have held or is holding the office of Little Sir, Secretary or Treasurer in the Branch, singly or in combination,** for at least two years at the time he assumes the office. A past or present Big Sir is the preferred qualification. The ~~State President~~ **Regional Director** may waive the preceding qualifications at his discretion. The nomination shall be made on Form 44 - Candidacy for Area Governor. The form shall be submitted to the current Area Governor by July 31. To formally document the election, the Area Governor-elect shall promptly execute Form 44A - Notification of Election. (Revised 4/11/08 11/8/11)

**STANDING RULE PROPOSALS (SECTION A)**  
**STANDING RULE APPROVALS (SECTION B)**

(New text in **bold**. Deletions in ~~strike-through~~. Notes in *[brackets and italicized]*)

**A. RULE PROPOSALS FOR ACTION BY STATE BOARD**

Proposals for Rules 11.1, 11.2, 11.3, 15, 24g, and 155 below are all recommended by the State Rules Committee for approval by the State Board at its meeting November 8, 2011.

**RULE 11.1- SIR MANUAL HARD COPIES- TO REVISE RULE**

*[Referred by State Rules Committee Chairman Dick DeVoe, for action by the State Board]*

*[The intent of the proposals for Rules 11.1-11.3 is that no hard copies of the SIR Manual no longer need to be provided to any appointed or elected SIR position, since the SIR Manual is on the SIR Website for access by any member. The addition of the sentence on hard copies clarifies that any member may make hard copies of SIR Manual pages of interest to them.]*

*[Rules Committee Recommendation: Approve.]*

RULE 11.1 The official SIR Manual shall be published on the SIR Website promptly after approval of any new or revised rule, bylaw, or guideline. **Any appointed or elected SIR position or**

any member may make a hard copy of a needed SIR Manual page(s) from that website. ~~(New 7/7/04)~~ (Revised 11/8/11)

### **RULE 11.2- SIR MANUAL HARD COPIES- TO DELETE RULE**

*[Referred by State Rules Committee Chairman Dick DeVoe, for action by the State Board.]*

*[This Rule is proposed for deletion. Since the SIR Manual is on the SIR Website, there is no need for any hard copy pages to be provided to a Branch Secretary by the Chairman of the SIR Manual Subcommittee. If a Branch wishes to maintain a hard copy of the SIR Manual, that is the Branch's business and needn't be part of a Standing Rule.]*

*[Rules Committee Recommendation: Approve.]*

~~RULE 11.2 The one official Branch hard copy of the SIR Manual shall be provided to the Branch Secretary during formation of the Branch. All other hard copies of the Manual are considered personal copies and shall be maintained by the holders.~~

~~a. Each Branch shall designate a member, such as the Email Contact, to print new and revised pages directly from the SIR Website for distribution to the Branch Secretary. Each Branch shall consider reimbursing this person for his expenses, including at least five cents per copy when he uses his own printer.~~

~~b. (Deleted 11/14/06)~~

~~c. If the Branch Secretary has the need to receive hard copy pages for his Manual by mail, a request must be sent to the Chairman of the SIR Manual Subcommittee. The requested pages will be reproduced and returned via the U. S. Postal Service. (Revised 11/14/06 effective 1/1/07) (Deleted 11/8/11)~~

### **RULE 11.3- SIR MANUAL HARD COPIES- TO DELETE RULE**

*[Referred by State Rules Committee Chairman Dick DeVoe, for action by the State Board.]*

*[This Rule is proposed for deletion. Since the SIR Manual is on the SIR Website, there is no need for SIR to have certain positions "authorized" for a hard copy SIR Manual. Also, there is no need for the Chairman of the SIR Manual Subcommittee to provide hard copies to any member.]*

*[Rules Committee Recommendation: Approve.]*

~~RULE 11.3 State Officers, Past Presidents, State Committeemen, Appointees and others authorized to have hard copies of the SIR Manual are individually responsible for printing new and revised pages directly from the SIR Website. Those who have the need to receive hard copies by mail must send a request to the Chairman of the SIR Manual Subcommittee and the requested pages will be provided. (Revised 11/14/06 effective 1/1/07) (Deleted 11/8/11)~~

### **RULE 15- STANDING RULE CHANGES- TO UPDATE RULE**

*[Referred by State Rules Committee Chairman Dick DeVoe, for action by the State Board.]*

*[The addition of wording to Rule 15 is proposed to make it consistent with the The State Board's change to Rule 608 at its 6/7/11 Board meeting. The Rule 608 change at that time: "A rule proposal to clarify a rule without changing the rule's intent, to standardize format or to correct word processing may be approved and published at the discretion of the Rules Committee or its Chairman." ]*

*[Rules Committee Recommendation: Approve.]*

RULE 15. All changes in the Standing Rules must be adopted by the State Board except for **(1) temporary changes adopted by the State Executive Committee as provided in the Corporate Bylaws and (2) clarifications and other minor changes adopted by the State Rules Committee**

as provided in Standing Rule 608. (~~Revised 11/13/07~~) (~~Moved from Page 3 - 11/13/07~~) (**Revised 11/8/11**)

### **RULE 24g- HLM TO HLM EMERITUS- TO REVISE RULE**

*[Referred by Past President Jim Donovan and Rules Committee Member Dwight Sale, for action by the State Board.]*

*[The purpose of the original rule was to allow a branch to add more HLMs if it has one that no longer attends functions. The 24 months now seems too severe so the phrase "...will no longer attend..." allows the branch to short circuit the 24 months. It retains the 24 months criteria which allows for Emeritus status regardless. If the HLM does not remain in the area he is no longer a member of the branch and this paragraph is moot.*

*The approval authority has been revised to be at the Regional Director level since there is no need to send it to the President. The wording "remain an active member..." was added because any affiliated HLM is deducted from the active member count for the prorata assessment. If the HLM becomes an inactive member then he is double counted for the prorata deduction].*

*[Rules Committee Recommendation: Approve.]*

#### **RULE 24**

- a. In situations where a Branch-initiated HLM has not attended his home Branch luncheon meetings for at least 24 consecutive months **or the Branch has determined that the HLM will no longer attend or participate in branch functions**, the Branch Executive Committee with two-thirds approval may request that the **Regional Director State President** approve assigning that member as HLM Emeritus **status** in the ~~Corporate HLM records and the State Roster~~. **He so that he would** no longer counts toward ~~any~~ **the** Branch's HLM limit. ~~This action~~ **Branch request** shall be initiated by letter to the ~~President~~ **Regional Director**, over the Big Sir's signature, through the Area Governor ~~and Regional Director~~, outlining the circumstances that prompt the requested action including steps taken to contact the HLM.
- b. ~~Giving due consideration to the request, the President~~ **The Regional Director** shall approve or disapprove the ~~action~~ **request** by return correspondence with a copy to the State Certificates Chairman. If approved, the individual shall **remain an active member of that Branch and be reflected as HLM Emeritus in that Branch's and State Roster membership records.** (~~Revised 6/10/08~~) (**Revised 11/8/11**)

### **RULE 155- CANDIDATES FOR AREA GOVERNOR- TO REVISE RULE**

*[Referred by State Growth & Membership Committee Chairman Walter Schick]*

*[Rule 155 limits candidates for Area Governor to Big Sir, Little Sir, Secretary, or Treasurer. However, there are men holding other Branch Officer positions (Director, Assistant Secretary, and Assistant Treasurer) who are qualified candidates based on their SIR knowledge and experience. By expanding the pool of qualified candidates, those Areas having difficulty filling the position will find this proposal advantageous to their candidate search effort. The proposed change to allow the Regional Director to waive these qualifications is considered a reasonable authority level for such decisions.]*

*[Rules Committee Recommendation: Approve.]*

**RULE 155.** The Executive Committee of each Branch in the Area shall nominate by July 31 of each year the member it proposes for Governor of its Area. A candidate for Area Governor must be willing to serve and must be **or have been a member of the Branch Executive Committee (BEC)** ~~a past or present Big Sir, or must have held or is holding the office of Little Sir, Secretary or Treasurer in the Branch, singly or in combination,~~ for at least two years at the time he assumes the office. A past

or present Big Sir is the preferred qualification. The ~~State President~~ **Regional Director** may waive the preceding qualifications at his discretion. The nomination shall be made on Form 44 - Candidacy for Area Governor. The form shall be submitted to the current Area Governor by July 31. To formally document the election, the Area Governor-elect shall promptly execute Form 44A - Notification of Election. (Revised 4/14/08 11/8/11)

### **RULE 50- MEMBERSHIP- TO CLARIFY RULE**

*[Referred by Rules Committee Member Dave Reiser and Rules Committee Chairman Dick DeVoe. Approved by the Rules Committee as a clarification.]*

*[SIR, Inc. for years has encouraged recruiting of fully retired and semi-retired men. In fact, the wording "fully retired and semi-retired" to attract new members is found on the SIR Happenings's home page, on branch websites and in newspaper articles. The wording added to this rule clarifies that semi-retired men qualify for membership.]*

RULE 50. Membership shall be open to men retired from full-time gainful occupation or **semi-retired (only working part-time)** regardless of age, race, color or religion. (~~Revised 4/14/03~~) **(Clarified 9/20/11)**

### **RULE 350- INSURANCE/BUS TRIPS- TO CLARIFY RULE**

*(Referred by State Insurance Committee Chairman John Thomason. Approved by the Rules Committee as a clarification.)*

### **RULE 351- INSURANCE/SHORT BUS TRIPS- TO CLARIFY RULE**

*(Referred by State Insurance Committee Chairman John Thomason. Approved by the Rules Committee as a clarification.)*

RULE 351 ~~The bus company~~ **Bus companies** shall furnish to the State Insurance Committee ~~A~~ a Certificate of Liability Insurance that meets the requirements of CPUC General Order 101 E and names SIR as ~~and~~ **an** additional insured to qualify as a SIR-Qualified Bus Company. **The Certificate of Liability Insurance, under the Certificate's Description of Operations, shall state "Sons in Retirement, Inc., and all authorized Branches and members, are additional insured's under the policy as respects General Liability and Automobile Liability coverage subject to the terms and conditions of the policy."**

Based upon an approved Certificate of Insurance, the Insurance Committee shall notify the State Travel Committee to show the approved Bus Company as a SIR-Qualified Bus Company on the SIR website. After a company is listed on the approved list any branch may contract with an approved Carrier and document this approval on SIR Forms 46 and 48 for a specific trip planned by a branch. ~~Based on information received from the State Insurance Committee, the State Travel Committee shall publish a separate listing for the SIR Website entitled "SIR-Qualified Bus Companies" Branches may contract with any listed SIR-Qualified Bus Company for one-, two- or three-day trips. ## 2011 November State Meeting Growth & Membership Committee Report

### Merger G&M and Publicity Committees

Vice-President Jim Steadman has merged the two separate committees for the remainder of 2011 and 2012. There are three main categories for this committee:

Membership Development, Recruitment Development. Public Relations

These are expanded upon on the following two pages. Suggestions, critiques and offers of help to work on these are welcome.

### **Area Continuity Committees Round Tables**

The second RT has been held in Area 2, and we will facilitate one in Napa in December.

### **Guidelines and Operations**

The Infosys Committee has asked that the Guidelines be separated from the Rules and be the foundation for a Branch and Area Operations Guide. This would summarize and point to the Duties in Training Tools and the Committees in Branch Ideas and Tools on the website

### Promotional Tools

#### **A. SIR Banners**

Gus Lopez 5,1,91 developed the SIR Banners, and each Regions should receive a set in November. The prototype has been shown at several meetings, including State Training in October. There is a strong interest in branches buying the tall pop-up-banner.

Nat Lord has been stocking SIR Caps and Pens for branch promotion and public awareness. The committee intends to offer more products through Form 21 and through an on-line sports wear catalog.

**Board ACTION 1:** We request the Board approve no more than \$1500 for initial stock of six pop-up banners at \$160 each (\$1000) and 36 bucket hats at \$14 each (500). Branches will purchase at cost plus shipping, and this amount will be returned to the treasury.

#### **B. SIR ID Cards**

As one of the Ideas that Work, G&M is supporting the creation of a SIR Card. Joe Futch 8,22,103 has developed a SIR ID Card for Area 22. This allows participating events and restaurants to recognize a Sir with a special benefit. The store also has a sign acknowledging SIR and some permit SIR Brochures.

We propose that all Branches offer these cards at nominal cost to all their members, and develop participating partners in their communities.

**Board ACTION 2:** We request the Board approve the development of a How To Manual based on Area 22's success with the intent to purchase 20,000 plastic ID Cards. The purchase approval would be proposed at the January 2012 State Meeting.

## **2011-12 SIR Growth & Membership Committee 20111020**

*Rule 606. The Growth and Membership Committee shall monitor the membership numbers of SIR, its Regions, Areas and Branches. And report to the President such recommendations as it deems necessary or desirable to increase membership in SIR, retain existing members, and publicize the activities of SIR to attract new members. In addition, it shall address such issues and make such recommendations as may be directed by the President or the State Board.*

# INFOSYS Committee Nov. 8, 2011 Report

---

## INFOSYS Committee

At the August SIR Board meeting, Dean Steichen was appointed Committee Chairman replacing Dwight Sale, who has served tirelessly as Chairman for many years. Nick Yannaccone has joined the committee and will be assisting on the Database Subcommittee and Rich Dettmer will serve as Ex-Officio and Content Manager for 2012 as Jim Stedman begins his term as President.

A Committee meeting was held Oct. 8<sup>th</sup> where many of the unresolved projects / issues were discussed and assignments were clarified. Several items were closed and a few new ones added.

A new SIR contact e-mail address ([contact.sirinc@gmail.com](mailto:contact.sirinc@gmail.com)) was created by Derek Southern to collect inquiries from the sirinc.org main link as well as the "How to Join" page links. This e-mail address can be managed directly or allow the messages to be forwarded to anyone desired. Currently, messages are forwarded to Rich Dettmer for processing.

## Web Site Committee

The Website got a new look August 15<sup>th</sup> with a new main webpage designed, primarily by Phil Goff with assistance from several other members, especially, Derek Southern. The new look is refreshing and seems to be working well.

The routine updates to the various web pages and content continue to be made as needed. An example would be the changing of the Contact SIR links on the main web page and "How to Join" web page for the new SIR Contact e-mail address. Others include Membership Statistics, Leadership Training presentations from the latest Training Session, updated Roster and a revised Database.

An effort is underway to accelerate the transfer of Branch Websites from the sirinc.org server to the sirinc2.org server and to clean up the sirinc.org server so it is easier to maintain. The sirinc.org server is intended to be the host server for the sirinc.org website while the sirinc2.org server is intended to host the Branch websites.

Work is in progress to standardize the "look and feel" of all the web pages on the sirinc.org website. The final design is not yet completed but a prototype has been circulated to INFOSYS members for their comments. The prototype is modeled after the "Member Information" web page.

## **Database Committee**

Dwight continues to keep the SIR Database up to date by inputting the new Form 20 data and other changes as required. He has been busy documenting processes and procedures for the maintenance and administration of the Database.

Little progress has been made in perfecting the use of MySQL as a service for storing the Database Data during this past quarter but it remains as a project.

## **Other Committees**

The Email, Roster, Manual, Forms, Certificates and Sir Happenings Committee members have been busy performing their services as required to support our members.

(e.g. Form 27, Form 28, Big Sir Quarterly Reports, etc.)
- 2) Develop at least one new activity in Branches having fewer than 5 Activities.
- 3) More recognition of members contributions; especially routine tasks.

## 6. 2011 Recruitment success to share (Dec. 2010 – Aug. 2011)

**Area 2** increased membership by 37 members.

**Area 24** increased membership by 7 members.

Region 6 Branches are making extra effort to recognize all the members doing the “**little jobs**” which contribute to the success of the Branch

#### **7. Status of Branch training**

All 2012 Branch Officers in Region 6 are scheduled for training.

#### **8. Other comments or ideas**

The continued emphasis on the 10% recruitment, Form 27 reporting, Activities development, good speaker programs, etc. essential to halting the membership losses seem to be having success in some Branches.

#### **4. Significant issues in the Region and what is the action plan**

Recruiting from Richmond to Newark remains a challenge as retirees tend to move away rather than stay in those areas. We have, however, seen recruiting results in difficult Areas like Area 7 and Area 8 when recruiting is emphasized using SIR cards, tri-fold flyers, "bring a friend", free lunch to sponsors etc. **Especially note the efforts of Castro Valley Branch #6 (+9 YTD) and Clayton/Concord Branch #19 (+20 YTD) and San Ramon # 128 (+ 18 YTD). The Branches in the Diablo Valley from Concord to San Ramon (8, 19, 128, 146), are all doing well.**
