SIR Travel Advisory

August 15, 2005

SIR State Authorized Travel Events occur every five years. They are the **only** SIR Travel Events in which travel agencies are authorized to distribute fliers and advertising to all SIR Branches.

The SIR State Travel Chairman does not have the authority to grant an exception to that SIR Requirement

Travel agencies may distribute **commercial brochures and other commercial information** to any SIR Member who has done business with that travel agency. SIR cannot control distribution of that type of information.

Travel agencies contracting for a Branch sponsored travel event **may only** distribute travel event fliers, brochures etc. to the Branch sponsoring the event or other Branches in the same SIR Area that have chosen to participate in the event.

There was a **misunderstanding** in a recent telephone conversation with a travel agency concerning distribution of travel event fliers to all SIR Branches, for a Branch sponsored travel event.

All SIR Branch Travel Chairmen, except those Branches in SIR Area 2, are advised to disregard any information they receive concerning a travel event to Australia and New Zealand sponsored by SIR Branch 8, SIR Area 2.

A handwritten signature in cursive script that reads 'Robert W. Perry'.
